

Interest Group Analysis

Guiding Question

- How do the variations in interest groups and the resources they possess affect their ability to influence?

Objectives

- I can evaluate the effectiveness of influence based on availability of resources.

Directions: Complete the chart based on the interest group assigned to you by your teacher. Be sure to refer to the infographic for action steps.

Interest Group:		
Duration of existence:	Membership Size:	Basic Details: (Fees to join, benefits, other)
Successful efforts: (Action steps, policies they have supported and gotten passed, money raised, ways they work well, etc.)		
Unsucessful moments: (Action Steps, opposition faced, set-backs, etc.)		
To what extent have non-mem- bers benefited from the work of the group?
